## EVERSON RANCH

## HARVEST DINNER AND DANCE!

*Last Year was a Great Success so we are Doing it Again  
this Year. Join us again or see what you missed.*

*It's time to celebrate with  
The Flying W Wranglers!*

The **Chuckwagon Harvest Dinner** will be prepared by RustingRam Catering again this year! The menu promises delicious meats from animals raised at the ranch and vegetables from the garden-vegetarian and gluten free options.

Preeminent cowboy music pioneers, **The Flying W Wranglers** will be providing the **Concert and Dance** entertainment for the evening.

The Flying W Wranglers have been performing music for over 63 years, making them the second oldest Western Music group in the world. Riding with the Wranglers promises the experience of classic country, western swing and gospel music with a bit of Cowboy wit. Expect unique western harmonies, fantastic yodeling, superb instrumentation and great songs of the American West. The Flying W Wranglers are a Colorado tradition and we're proud to have them in these parts for this special occasion.
